Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Clark County Department of Aviation – Phase 2 to Reconstruct the Airfield Rescue and Fire Fighting Station at LAS Airport in Fiscal Year 2026. The entity to receive funding for this project is the Clark County Department of Aviation, located at 5757 Wayne Newton Blvd., Las Vegas, Nevada 89119. The funding would be used to enable the Clark County Department of Aviation to bring the Airfield Rescue and Fire Fighting (ARFF) facilities at Harry Reid International Airport up to current Federal Aviation Administration (FAA) safety, operational, and environmental standards. The existing ARFF station has been in operation for more than 40 years and does not meet current standards. The project is an appropriate use of taxpayer funds because it will completely replace or reconfigure the existing 10-acre site. The result will be nearly 11,000 square-feet of living and operational spaces and just over 16,000 square-feet of apparatus bays, expanded from the existing 10,000 square-feet, to make room for new trucks and all required equipment. The modernized ARFF facility will ensure the continuation of safe and efficient airport operations at Harry Reid International for years to come.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
