Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for South Site Emergency Operation Center (EOC) Regional Training Center Design Project in Fiscal Year 2026. The entity to receive funding for this project is South Site Emergency Operation Center (EOC) Regional Training Center Design Project. The funding would be used to complete the design phase of a new, comprehensive regional training center that will house Clark County's South Site Emergency Operations Center as well as a fire and emergency medical training facility. The project is an appropriate use of taxpayer funds because it will ensure that emergency responders are well-prepared to handle a wide range of incidents, from medical emergencies to large-scale disasters, and will effectively serve the growing population and over 44 million visitors of Clark County. Funding will go towards the portion of the design directly tied to the EOC footprint.

The project has a federal nexus because the funding provided is for purposes authorized by the funding provided is for purposes authorized by section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
