The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Northeast Apron Expansion at LAS, Harry Reid International Airport, Las Vegas, Nevada in Fiscal Year 2027. The entity to receive funding for this project is Clark County Department of Aviation, located at 5757 Wayne Newton Boulevard Las Vegas, Nevada 89119. The funding would be used to expand the Northeast apron—an area where aircraft can be parked, unloaded/loaded, refueled, boarded, and maintained—at Harry Reid International Airport (LAS). The project is an appropriate use of taxpayer funds because the project will vastly improve operations at LAS airport by increasing availability of aircraft parking and enhancing aeronautical land uses in response to an increased demand for these facilities. The additional aircraft parking will also function to offset phased construction closures planned for the redevelopment of the aging Terminal 1 facilities. When complete, the project will result in more efficient and streamlined airport operations at LAS to meet local demand and planned redevelopment and will create economic opportunity for future aeronautical uses at Nevada's busiest commercial airport.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
