The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for RTCSN Public Safety Improvements in Fiscal Year 2027. The entity to receive funding for this project is Regional Transportation Commission of Southern Nevada (RTC), located at 600 S Grand Central Parkway, Las Vegas, NV 89106. The funding would be used to procure high-definition security cameras and supporting infrastructure, including mounts, cabling, networking equipment, and storage servers. These cameras would be installed at high-use RTC facilities, including the Sunset Maintenance Facility, Mobility Transit Center, South Strip Transit Terminal, and Westcliff Transit Center and Park & Ride to ensure public safety. RTC will install and configure all new security camera units to ensure optimal coverage of critical areas such as passenger spaces, bus bays, fueling stations, maintenance bays, and facility perimeters. The project is an appropriate use of taxpayer funds because these enhancements will significantly improve situational awareness, emergency response capabilities, and investigative support while creating a safer environment systemwide.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
