The Honorable Rosa DeLauro

Committee on Appropriations
U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Multi-Facility Guard Booth Building Upgrade in Fiscal Year 2027. The entity to receive funding for this project is Regional Transportation Commission of Southern Nevada (RTC), located at 600 S Grand Central Parkway, Las Vegas, NV 89106. The funding would be used to replace two existing guard booths at Sunset Maintenance Facility (SMF) and the Integrated Bus Maintenance Facility (IBMF). The project is an appropriate use of taxpayer funds because the guard booths are critical components of RTC's overall security strategy, supporting vehicle monitoring and access control at high-traffic operational facilities. Replacement is necessary to ensure continued protection of transit assets, employees, contractors, and the riding public.

The project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in black ink that reads "Susie Lee".
