Dear Chair DeLauro and Ranking Member Granger:

I am requesting $1,000,000 in community project funding for the Desert Research Institute’s STEM and Educator-Student Partnerships Program in fiscal year 2023.

The entity to receive funding for this project is Desert Research Institute, located at 755 East Flamingo Rd; Las Vegas, NV 89119.

The funding would be used for facilitating the establishment of the Desert Research Institute’s STEAM and Educator-Student Partnerships Program, a statewide program available for all Nevada System of Higher Education institutions. DRI aims to recruit STEM majors and Education majors, to partner them together to learn about each other’s field.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Rep. Susie Lee
